

## AmInvestment Group

**AmMerchant Bank Berhad, a member of AmInvestment Group**, is the driving force in investment banking, providing a wide range of capital markets services and expertise to serve a broad variety of clients ranging from Government bodies, financial institutions, corporations, to retail investors. At AmInvestment Group, challenges are what we thrive on. Come discover a world of opportunities with us.

### PRIVATE BANKING

Our Private Banking invites results-driven individuals who are accustomed to working in a fast-paced and demanding environment to join us for the following positions.

#### Investment Managers / Product Managers / Analysts

You will help advise and manage portfolios invested in a broad range of asset classes including fixed income, equity, unit trusts, currencies, foreign securities, private investments and structured products. As part of your responsibilities, you will prepare recommendations, research reports, performance reports, presentations and source for investments. You will also be supporting the private bankers in marketing the banks' products and responding to client queries. In addition, you will help develop and launch new products including securing approvals and preparing product manuals.

#### Qualifications & Requirements:

- A recognised Degree in Investments, Finance, Accounting or other quantitative-oriented fields. CFA charter holder preferred.
- For the analyst and manager positions, a minimum of three years and six years experience respectively in treasury, portfolio management, research, derivatives, structured products and / or corporate finance
- Strong analytical, quantitative and computer modelling skills
- A self starter willing to go the extra mile. Can work with tight deadlines, balance competing demands and overcome obstacles.
- Can speak and write persuasively and have strong interpersonal skills to deal with sophisticated clients and manage conflicts

We invite suitable candidates to submit a complete resume to:

## **Management Accountant (Based in Kluang)**

As the key finance person at our Kluang manufacturing facility, you will lead the finance team and work with the operations team to optimise production cost. You will be an active participant in various project teams and will provide financial support on all cost accounting and internal control matters. You will also be responsible for budgeting & financial forecasting, performing financial evaluations of capital projects and cost management programs.

### **Requirements:**

- Degree in Accounting with professional accounting qualifications (CPA/CA).
- Minimum 3-5 years' relevant experience in Management Accounting/Cost Analysis in a supervisory capacity.
- Strong technical skills in cost accounting, spreadsheet and computerised information systems (BPCS).
- Strong analytical, planning and organisational skills. Strong inter-personal skills will be necessary to train, direct, motivate and develop direct reports and maintain a strong working relationship with the operations team.
- Ability to work independently with minimal supervision.

**We offer a 5-day work week and you can look forward to an attractive remuneration package commensurate with your qualifications and experience.**

Interested applicants should send a detailed resume with current and expected salaries, academic transcripts and a recent passport-sized photograph (n.r.) before **00 June 2006**:
